

Hello Community Members!

Well summer has come to an end and it has shown to be a big success for 2017 and you as the community have been working hard for your business, club or organization!

We are gearing up for our annual Christmas Gala not only to honor all of our members & local charities but if you have someone that stands out in your business, club/organization that you would like to recognize, this is a perfect opportunity! Time constraints will not allow each business, club or organization to present an award. We ask that you take time in your own prior meetings to have a formal presentation. We simply want to recognize our community members so that we all can congratulate them during the evening!

Our annual Christmas Gala has become a huge hit and this year we will offer more fun, fellowship, food & dancing. This year's event is called "Texas Christmas on the Frio!" We will have fun drawings, a Best Dressed Texan Contest (Man & Woman), a contest for the the best Cobbler (afterwards to be enjoyed as everyone's desert!), our favorite \$500 cash drawing of the "Winning Loser" along with \$250 cash drawing for "Losing Winner", an auction of "Gingerbread House Texas Style" and of course our very enjoyable Silent Auction where a portion of the proceeds will also benefit a local charity along with a happy hour with Pecan Farm's cash bar offering beer, wine & set-ups or BYOB, a special menu from Panjo's Pizza & Chicken Wings you can purchase at your leisure and live music for some great two-step'n til the of the end the evening! Woohoo!

So please present the attached form to your business, club or organizations that will recognize someone you feel needs a "big round of applause!"

Please have your forms submitted by the deadline of Friday November 3, 2017 to the chamber address or email.

If you or you know someone who would like to help/volunteer either of these events, please call me!! Don't miss out this year!! Presale event tickets will be available September 18th! Group tables are 10 guest/\$80 and individual tickets \$10 ea and spaces are limited!

Thank you,

Kathy Suttle
